Access List

Example with 54 Domestic Champions

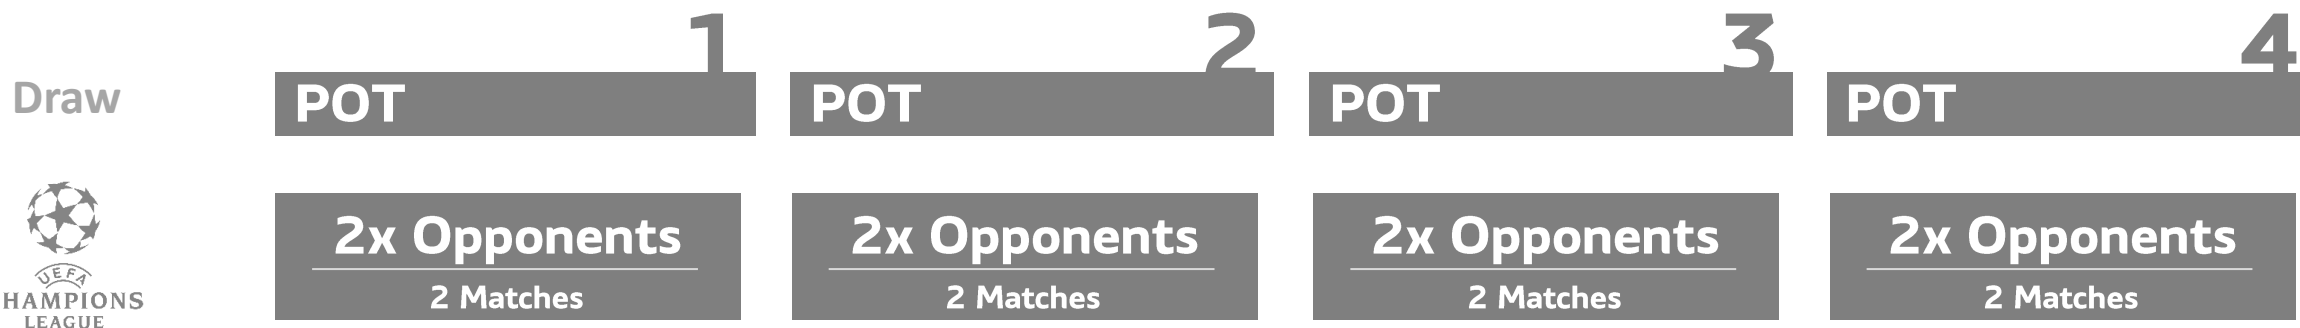

- If a club qualifies for both the UCL path and the DCH path, it automatically participates in the UCL path
- The vacancy in the DCH path is filled by the runner-up of the same association.
- No further replacement is possible if the runner-up is also qualified for the UCL path or not available. In this case the access list will be rebalanced accordingly.
- If the UYL titleholder is already qualified to the competition the access list will be rebalanced accordingly.
